

List of Sarcastic Idioms And Phrases	
Idiom/ Phrase	Sarcastic Meaning
Actions speak louder than words	According to your stupid and wrong actions, we see how bad you do things
Alert the media!	Some situations that we wouldn't know if it weren't for you.
Cool.	This is an awful thing.
Don't worry about it.	Oh, my, you are in real trouble and I'm going to remember this to remind you
Fascinating.	You have been talking for a very long time, and I'm not sure if I've even known what you are talking about.
Good luck with that	I hope you won't make it because you can't do that
Good morning!	When someone says something so obvious that even people from another part of the world would notice.
Great job	You haven't done anything good here
He's great	I would rather talk to my shoes instead
Hilarious	You have made me wish to cry for the rest of my life
If stupid could fly, you would be a jet	If we compare your stupidity with something big, this is the suitable comparison
I'll make a note of that	Not only that it won't be useful at all, but I don't know why you've even mentioned it
I love you	Please leave and never come back again
I'm ecstatic	I'm pretty sure my life is falling apart
I'm so happy for you	I really hope this works out badly for you
I think that was my fault	It's, undoubtedly, your fault
I've had a great time	I won't ever be talking to you again. But for real
Obviously	I cannot believe that you think that anyone doesn't know this
Oh my God	I know you're not going to stop talking, so I'm just going to insert this here and start thinking about something else

Oh, really?	I did know that, because everyone knows that, and don't have to mention that at all
Oh, you think so?	No kidding that it is that way! Like we didn't know all that already!
Sorry	I expect you to apologise
Take your time	Hurry the f...up!
Thanks	I am bitter about something
Thanks for the help	I hate the degree to which you have fu*ked this up
That's so funny	I want to cry so hard I could laugh
That will be fun	It is so boring that I'm gonna kill myself
<i>Well done</i>	You should pay more attention to my achievements instead
With the greatest respect	I do not think that anything you've said is true
What else is new?	When something is so obvious that there is no need mentioning at all
